

(Start of Belt #8)

I have no objection to the motion, but I'd like to have that amendment printed in the Journal.

SPEAKER: That will be printed in the Journal. So ordered, together with Senator Carpenter's other amendment on 68. Now, is there any objection to this type of procedure?

CLERK: There are some other amendments on 86. Do you want them printed in the Journal?

SPEAKER: Now, the clerk advises me there are other amendments on LB 86. I'll rule that they be printed in the Journal. If there are no objections to this motion to bracket these bills for one week from today, it is so ordered. Now, we are ready for General File consideration of LB 339. The clerk will read. Am I correct, Mr. Clerk?

CLERK: Mr. President, we have an unanimous request to unbracket LB 184 and consider it at this time.

SPEAKER: Where is 184. All right, LB 184, has been bracketed with no date certain. We have a request here to unbracket that and take it up at this time. LB 184. Are there any objections to that? If not, the clerk will read.

CLERK: Read title. LB 184. The bill was first considered on February 15th. It was again considered on February 20th. At the time there were committee amendments considered on February 20th. The committee amendments were adopted. There was an amendment by Senator Luedtke which was adopted. There is pending a motion by Senator DeCamp to indefinitely postpone LB 184.

SPEAKER: What's the question, Mr. Clerk?

CLERK: The motion pending, Mr. President, is a motion by Senator DeCamp to indefinitely postpone the bill.

SPEAKER: Senator DeCamp.

SENATOR DeCAMP: Mr. Chairman, members of the...Mr. President, members of the Legislature, I've already discussed this bill in some detail and my main arguments was that it would be very damaging to rural Nebraska. That rural Nebraska is a distinct entity in certain respects from the metropolitan areas and that summarizes my arguments. I've already made them. Senator Chambers is not in the room and with respect to the bill, I think it's only decent that I wait until he gets here, unless he takes more than a minute.

SPEAKER: All right. One of the Pages, please, see if they can locate Senator Chambers. We will be at ease for a few minutes here. The clerk has some information on his desk to read.

CLERK: Mr. President, we have some reports. Your chairman of Enrollment and Review reports--Read. Mr. President, we have a notice of Committee Hearings--Read.

SPEAKER: Mr. Clerk, excuse me. We have some students in the south balcony who I assume are the same students who have been here for approximately an hour. Are you students from Papillion? The home of Senator Keyes. There are 60 students here from Papillion High School. They are Juniors in High School and we welcome you to the Legislature and hope that you are enjoying yourselves. The clerk will continue.

CLERK: Mr. President, your Committee on Government, Military, and Veterans Affairs--Read. Mr. President, there is a Rules Committee report--Read. Mr. President, there has been a new lengthy Rules Report from...or a proposed amendment to the Rules by Senator Syas which will be inserted in the Journal
